

*Gibson Information Systems has a proven track record in providing tailor made training and consultancy services within the business environment. We have a committed interest in remaining in Cornwall and working to benefit the region. We are therefore determined to help make the West Cornwall business Network Benefits Package a success by opening up new, tailor made training opportunities to network members.*

*David Gibson  
Owner and Principle Consultant*

## **Terms and Conditions**

### **West Cornwall Business Network Members Benefits Package**

1. Businesses must be officially registered with the West Cornwall Business Network in order to access the benefits package
2. Network members must register for the benefits package in addition to joining the network
3. All members will be issued with a personalised ID number which must be quoted when accessing benefits
4. A benefits card will be issued to registered members and may be asked to be produced as proof of membership
5. A database of network members and benefit card holders will be maintained by the Business Broker for proof of registration
6. Benefit providers may, at any time, contact the Business Broker to confirm the membership of a business
7. Specific terms and conditions apply to each benefit provider and it will be assumed that members registering with the scheme have read and understood these conditions
8. Members failing to comply with any of the terms and conditions will be de-registered and unable to access further benefits
9. Benefits packages will be reviewed on a regular basis and any additions or changes notified to network members via the West Cornwall Business Network website
10. The benefits package in its current format will be free to join until March 2007

## **Terms and Conditions**

### **Gibson Information Systems**

1. Members accessing the benefits package must adhere to the terms and conditions detailed above
2. Discounts will apply to all training and services including tailor made training programmes but the latter will vary in cost and be assessed on an individual basis.
3. The benefits package can only be accessed by new customers to Gibson Information Systems and will not be available to existing customers
